## Youth Camp 2006 Adult Volunteer Registration

The Maine National Guard Youth Camp is designed to offer an active, healthy environment where Guard children will grow in confidence, character, and friendships with other Guard children. Activities include rappelling, archery, kayaking, confidence course, overnight bivouacs, arts & crafts, hiking, and swimming.

The 6th Annual Maine Guard Youth Camp will be held in **TWO** sessions for 2006:

| WEEK | DATE       | CAMP                                    | CAMPERS' AGES   |

Each session will take place at Bog Brook Training Site, Gilead, ME and is open to Guard Kids and volunteers. "Guard Kids" are children (whether natural, adopted, or step children) of a current member of the Maine National Guard. In an effort to embrace children of deployed military members, an exception will be made for children of deployed Reserve units in Maine. Volunteers (Adult Staff) are selected from military members and their families.

We are now accepting applications for Adult Staff members. Applications must be received at the address above no later than **1 April 2006** to be considered. A selection committee will review applications and will notify you NLT 15 April 2006 of selection/non-selection. It is preferred that children and parents are not placed together in the same cabin. This allows the child to grow independently and also frees the parent to concentrate on the many responsibilities he or she may have. Adult Staff will be selected based on availability and the needs of the Youth Camp. We strongly suggest you state ALL the positions you'd like to work, but realize that we may offer you a different position, and sometimes the staffing changes last minute. Please remain flexible.

Please make sure that the week you volunteer to work is a week that you will be available. Please speak with your supervisor and make arrangements to take that time **BEFORE** you apply for the position. Each year we have several last minute cancellations that really affect how camp is staffed. Many of those issues could have been avoided by proper planning between the volunteer and his/her supervisor.

All adult Staff must be trained before camp. Adult Staff will need to attend 1 training session, usually held at night in Portland, Augusta and Bangor. The time/date/location of these sessions will be sent to you in your welcome packet.

Reporting time for Adult Staff for each camp is Noon the day before camp begins. Additional training, set up, and in-processing will take place during that time. If your child is a camper, they will be able to arrive at camp on Saturday with you, but the camper in-processing doesn't happen until Sunday afternoon.

Day Camp will be offered for volunteers with children ages 5-8. The hours of operation will be 7 a.m. thru 5 p.m. Please submit a Camper Application and activity fee for each child enrolling in Day Camp. If you wish to be a cabin counselor, you should not bring a Day Camper. Your job is very demanding and your assigned campers will need your full attention. If you bring a Day Camper of the opposite gender you will need to have sleeping arrangements of your own, i.e. camper, tent, or hotel down the road, and you will not be able to be a cabin counselor. There will not be any day-care available during the Cadet Program July 16 through 22.

All volunteers must return a DD Form 369 (Police Check request) with their application. Applicants must fill out blocks 1-9 and sign Block 11.

Thank you for your interest in the Maine National Guard Youth Camp. If you have any questions regarding Camp, please contact Rick Bach of the Family Program office at 1-800-581-9989 or (207) 626-4384 or you may email [Richard.Bach@us.army.mil](mailto:Richard.Bach@us.army.mil).

I have read the above information and understand that I am volunteering to be a staff member at a camp that focuses on Children of the Military. I understand that I will be expected to be a mentor and will act appropriately at all times. This also includes refraining from alcohol and illegal drug use; the only exception being smoking which is allowed in a smoking area at the sand pit. I understand that by volunteering, I am accepting a responsibility to provide for a safe and enjoyable experience for these children, and that responsibility sometimes calls for long days. I have made arrangements to get the necessary time off to attend camp, and will finalize the plans when I receive the welcome packet. I understand a police background check will be run on all volunteers selected to work at camp.
